The probation officer believes that the offender has violated the following condition(s) of supervision:

Violation Number    Nature of Noncompliance

1. The offender has violated the supervision condition which states '**You shall answer truthfully all inquiries by the probation officer and follow the instructions of the probation officer.**'

On August 11, 2010, the offender was instructed to contact the probation officer on August 16, 2010 to make arrangements to submit a payment, provide verification of employment, and provide verification that he was at the Elizabeth Library on July 16, 2010. The offender failed to abide by the above directives and did not make contact with the probation officer as directed on August 16, 2010.

**'RESIDENTIAL REENTRY CENTER PLACEMENT (6 months WITH weekend privileges)**

**You shall reside for a period of 6 months in a community corrections center, halfway house or similar residential facility and shall observe all the rules of that facility. You shall be eligible for weekend privileges.'**

The offender failed to complete this special condition as he was discharged as a program failure from the Toler House Community Correctional Facility on July 19, 2010 for various violations.

3. The offender has violated the supervision condition which states '**The offender shall pay the remaining \$50 balance of his special assessment penalty , and pay his \$2,500 fine.**'

The offender failed to make any payments toward his court-ordered financial obligations since his release from prison in March 2010.

I declare under penalty of perjury that the foregoing is true and correct.
